

# Learn to Fly with JA Flight Training!

## INTRODUCTORY FLIGHT

Whether you have made up your mind that a life of flying is the life for you or you just want to check “fly an airplane” off your list of exciting experience, an Introductory Airplane Flight with JA Flight Training at the Aurora Airport is your next step!

Conveniently located off I-88 ... just one stop light away from downtown ... JA Flight Training is an FAA approved Cessna Pilot Center offering a luxurious educational environment, the latest in cockpit technology and the “weather-proof” Redbird full-motion flight simulator to make your first flying experience an exciting and memorable one.

Call us today at (630) 549-2152 to set up *your* Introductory Flight today.

**JA Flight Training 43W700 US 30 Sugar Grove, IL 60554**
