

JA Flight Training

Private Pilot Course

With JA Flight Training, let us be your one-way ticket to your Private Pilot Certificate. In just a few short months, learn to fly in one of our NEW Cessna 172 Aircraft. All of our aircraft have a Glass Panel Garmin 1000 avionics package. Our students also enjoy a GFC700 autopilot, traffic advisory , XM Weather and radio. Experience a whole new level of service in flight training.

Learn to fly for as little as \$250 per month! Let us guide you a step closer and get you flying faster. Financing available to qualified buyers.
